presenting GAIA HOMES

We are excited to introduce our exquisite new development Gaia Homes.

A collection of 32 three bedroom luxury villas, located just 18m from the sea front in the touristic area of Geroskipou.

Each villa features cutting-edge architecture, thoughtfully designed repetitive interior spaces, and open-plan living areas adorned with high ceilings, making an abundance of natural light through floor-to-ceiling sliding doors and windows, as well as boasting high-end specifications including VRV for cooling and underfloor heating.

Preis	€490,000 +MwSt	Typ	Freistehende Villa

Beschreibung

We are pleased to provide an update on Gaia Homes, our exquisite development of 12 luxury three-bedroom villas located just 1 km from the seafront and the vibrant touristic area of Geroskipou.

Each villa features cutting-edge architecture and thoughtfully designed, expansive interior spaces. The open-plan living areas are adorned with high ceilings, inviting an abundance of natural light through floor-to-ceiling sliding doors and windows. With high-end specifications—including VRV systems for cooling and underfloor heating—these homes offer unparalleled comfort and luxury.

The project is scheduled for delivery in September 2026. Please refer to the attached updated sales catalog for the latest specifications and pricing information.

The project specification encompasses the following features, all of which are included in the price:

- Underfloor heating with water and separate zone in Underfloor heating with water, featuring separate zones on each floor
- VRV cooling system for efficient and customizable climate control
- High ceilings (3.1 meters) and tall doors (2.4 meters) in all rooms
- Full thermal insulation with energy-efficient slimline aluminum, ensuring Energy Efficiency Category A
- Water pressure system and water filter installed under kitchen cabinets
- Bathrooms equipped with walk-in showers, safety glass enclosures, and wall-mounted toilets
- Private parking for two cars with electric gates and provision for an electric car charger
- Security system with alarm and CCTV featuring four cameras
- Photovoltaic system (4.8 kW)
- Swimming pool included as per architectural drawings
- Kitchen appliances included in all properties
- Barbecue area at kitchen level, featuring space for outdoor entertainment

Project Delivery Date: September 2026

We invite you to schedule a viewing and present this unique opportunity to you.
