Description

This project presented by unique Cyprus homes real estate in Paphos is a contemporary residential development in Paphos Town Center, Cyprus. Following the successful launch of Block A, the developer has introduced Blocks B and C, offering a new collection of stylish 1, 2 and 3-bedroom apartments for sale in central Paphos.

Designed for modern urban living, the development combines contemporary architecture, practical interior layouts and quality finishes. Each apartment has been carefully planned to provide comfortable living spaces with excellent functionality, making this New property for sale under construction in paphos an attractive option for individuals, couples, families and property investors.

The apartments at this New project for sale under construction in paphos feature bright interiors, well-proportioned rooms and smart layouts that maximise the available living space. The modern architectural design is complemented by carefully selected materials and finishes, creating homes that are both elegant and comfortable.

Buyers can choose from:

- One-bedroom apartments suitable for professionals, couples and rental investment
- Two-bedroom apartments offering additional space and flexibility
- Three-bedroom apartments designed for families and buyers seeking a larger permanent residence

The variety of apartment sizes allows buyers to select a property that matches their lifestyle, personal requirements and investment objectives.

Central Location in Paphos Town

Located in Paphos Town, This new project provides residents with convenient access to the city's everyday services, commercial areas and lifestyle facilities. Living in central Paphos allows residents to remain close to shops,
