Description

1,211 m² Combined Land - 2 plots - first 696sqm with a house of 312sqm - second plot of land 515 sqm | 100% Building Density | Existing 4-Bedroom Residence | Opposite Green Park of 3,267 sqm

A rare opportunity to acquire two substantial plots offered together in the centre of Paphos, directly opposite a public green area and children's playground.

The properties have a combined land area of approximately 1,211 m² and benefit from 100% building density and 50% site coverage, creating considerable potential for redevelopment, subject to the applicable planning regulations and approvals.

The location combines the advantages of a central urban position with the attractive outlook and open character provided by the green park directly opposite.
